

## Verifier checklist for employment, income, and benefits verification

---

Wells Fargo has engaged TALX's The Work Number® service to provide employment, income, and benefits verifications for all Wells Fargo team members who are employed within the United States as well as expatriates. All automated verifications can be requested and completed 24 hours a day, 7 days a week. There is a nominal fee to use the verification service.

If you need to verify income, you must obtain a one-time Salary Key from the team member before you can request verification.

You may contact The Work Number in a number of ways:

- [theworknumber.com](http://theworknumber.com)
- Automated verification: 1-800-367-5690
